

Spiritual Autobiography Writing Workshop

Where have you been?

Where are you now?

Where are you going?

➤ *It's time to write the reason
for your hope now!*

About

First Congregational Church of Fort Atkinson is offering a new eight-week spiritual autobiography writing workshop. Under the guidance of personal historian owner of Memories Preserved, Lindsey Hulstrom, the workshop uses the Guided Autobiography method while focusing on the Christian journey. During each weekly two-hour session, you will receive life story ideas and relevant exercises to prompt writing in addition to a life theme on which to write a two-page story. Time between each session will be used for theme reflection and to write your two-page story to be read aloud at the next session.
